Honor Grade Pupils

"Love Pirates of Hawaii," a colorful two-act musical comedy, will be the gay farewell given by the graduating classes of Jefferson, Crocker and Woodrow Wilson grammar schools in their semi-annual commencement exercises, Friday evening.

Parents and friends of some fifty-four graduating students are expected to throng the auditorium of the Jefferson Union high school in honor of the occasion. In addition to the all-student production of the operetta, numerous scholastic awards will be made and honors for the past year accorded. The program will start at 8 p. m.; admittance will be by invitation only.

"The Love Pirates of Hawaii," with words and music by Otis M. Carrington, will feature in its cast Esther Hanel, Louise Baciocco, Norma Pedemonte, Florence Jauch, Mary De Negri, Ralph Capps, Robert Vierra, Arnaldo D'Elia, Nilo Simonini and Andrew Parodi.

There will be a chorus of Hawaiian girls, a chorus of pirates (Continued on Page 5)

Steal Teeth, Cash From Driver

Leo Samson, 1861 Mission street, is today a sadder and a wiser man: sadder through a beating, the loss of one-hundred dollars in cash and half a set of false teeth—wiser, inasmuch as he has learned it doesn't pay to pick up strangers.

Samson, found in a dazed condition on Junipero Serra boulevard at 3:30 a. m., Sunday, by Cliff Pettigrew of the Daly City garage, reported to local police that he had been beaten, then robbed of his car and cash and left on the side of the road by two men to whom he had given a lift from San Francisco.

Sampson's car, which had been abandoned in front of Biggio's place, Colma, was found by Pettigrew two hours later.

Drunken Driving Proves Expensive

Fifty dollars each was the penalty paid by Robert Gist, Ninety-first street and Railroad avenue, Colma, and Bruce Clay Holmes, 145 Ulloa street, San Francisco, in Judge Wade H. Clay's court on Friday. Both were charged with drunken driving.

Fred A. Mead, 25 Thirty-first avenue, and Tony Joseph Rossi, 427 Silver avenue, each paid \$10 for speeding.

Poison Brings Death To Fifth Victim

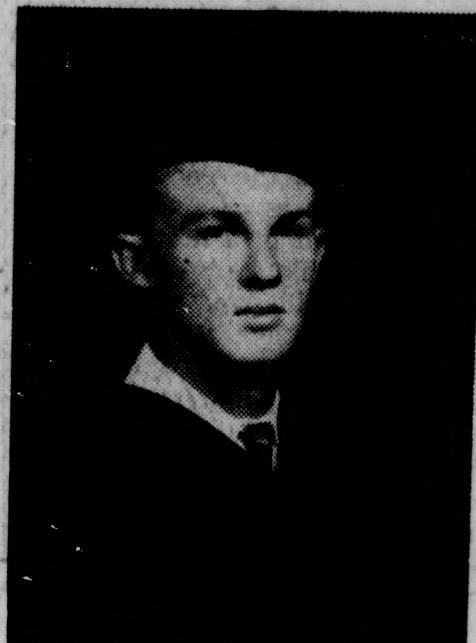

"O-Neb," Red Peke-faced Persian, owned by Mrs. H. Mallen, 436 Irvington street, was last week the fifth victim of poisoning in the last month among cats in the four hundred block on the north side of Irvington street.

Poundmaster Archie Banfield, who found O-Neb, reported that strychnine appeared to have been the cause of his death.

A prize-winner in his own right, O-Neb was the half-brother of Mrs. C. Cogeshall's finished champion, Tonto.

Discuss Streets

Routine business occupied the city council for the major part of Monday evening, with several resolutions passed preparatory to the establishment of the South End street improvement project.

Also discussed was the request of the county of San Mateo that the city of Daly City contribute \$3700, half of the sponsor's contribution, toward the construction of a new flume in the sewer outlet through the Lake Merced district. The matter was referred to the city attorney for further investigation.

A resolution regulating the disposal of the \$6000 Fire fund was passed upon the recommendation of the Board of Fire Commissioners. Another resolution transferring funds from the State Gas Tax funds to reimburse the General fund to the extent of \$1200 for street expenditures was also passed.

The Market Street railway was granted a blasting permit. An application from Bruce H. Boynton, local recreation director, that the city purchase an RCA sound system was referred to Co-Sponsor's Agent A. J. Bodien and will be taken up at the next caucus meeting.

It was also decided that a tiled storage room with metal doors be constructed in the base-

Making their entrance to the triumphant music of Meyerbeer's "Coronation March," forty capped and gowned seniors will march slowly into a hushed auditorium this evening in Jefferson Union high school's first January commencement exercises.

A few brief words from those in authority; the soft swell of patriotic music; the hopeful expressions of four young student speakers; the final presentation of diplomas—and another class of Jefferson graduates will step from the shelter of school life into a world of conflict.

Robert Bannantyne, Julia Bertini, Richard Bolger, Walter Brewer, Vincent Carboni, Robert Christen, Ruthe Jo Crawford, Ted Cupman, Roy Davey, Jo Anne De Bono, Ann Downall, Helen Downey, Rolph Eldrup, Yolanda Giusti, Emil Harasin Jr., Allen Hertel, Miriam Hicks, Lawrence Lemos, Rosemary Lothrop, Beatrice Lozano, Lupe Lozano, Elizabeth Lund, Beatrice Mahaffie, Dina Marengo, Eugene Mazoue, Muriel Mooney, Lo Joie Mon Santo, Ruth Morris, Lorraine Norton, June Prescott, Genevieve Price, Nanda Sereni, Lucille E. Four-Year-Old Starts Bedlam

He was only four years old, but he caused a lot of excitement in Colma and Daly City last week.

Answering an alarm turned in from a box late Wednesday afternoon, three screaming fire engines sped down Mission street to the Jefferson school at Market and Bruno, accompanied by blasts from the fire horn, while anxious citizens ran out of their homes and private cars streamed after the engines.

Arriving in Colma, the cortege found instead of the fire they had expected, only a small group of disappointed school children. Inquiry revealed that a four-year-old boy, attracted by the red fire box, had stood on a box, reached up and pulled the lever.

Doposcuola Italiano "Vincenzo Gioberti" of Colma, devoted to teaching the Italian language, held their graduation party at Colombo hall, Saturday evening.

Children who won prizes for the school year 1938-1939 were Giulia Bertini, Lorraine Vernazza, Guiseppina Cipresso, Rosa Caserza and Alfredo Pasero.

High grammar graduates were Giulia Bertini and Guiseppina Cipresso.

Included on the party program were Lembi's Indians of Rhythm and the Cowboy Band and "Pinnocchio," given by the school children. Recitations, songs and sketches completed a full evening's entertainment.

Building Reaches New High

One of the most promising communities in the fastest growing county in the entire United States!

Nearly \$1000 per day in new building in Daly City during the past two years!

An approximate ten per cent increase in the total valuation of the city!

These were the glowing facts apparent to the layman from a statistical report issued today from the city engineer's office, covering building permits in Daly City during 1938 and 1939.

Totalling \$598,172 for the two years, the volume of new building included approximately 170 new homes, averaging \$3000 each, according to City Engineer Julius F. Castelan.

This means an approximate five per cent increase in the number of new home owners here or one new family added for every twenty during the past two years, the city engineer explained.

Largest single construction project during 1938-39 was the \$20,000 remodeling of the Pacific Coast Aggregates plant on Junipero Serra boulevard.

Daly City's present average of 85 new homes per year contrasts favorably with the national average of 75 for towns of like population, quoted by this month's issue of the American Builder magazine.

Daly City's building statistics also compare favorably with rapid strides made in other parts of the county, and with figures recently cited by Federal Housing (Continued on Page 2)

Sound 72 Alarms During Past Year

Although 72 fire alarms sounded in Daly City during the past year, the total amount of loss suffered was comparatively light during 1939, Fire Chief Andrew P. Chesney said today.

Most spectacular conflagration of 1939 was destruction of the two packing plants of the Colma Vegetable Growers' association in Colma, May 28. Damage was estimated at close to \$40,000.

Loss from other fires during the past year, however, amounted in almost no case to more than \$500, the chief said.

Of the 72 calls, 18 were false alarms, according to the annual report of the fire alarm system recently submitted to the council by Arthur J. Bodien, superintendent of the system. In addition to the false alarms there were 18 grass fires, 13 house fires, 6 blasts, 4 chimney fires, 4 auto fires, 2 (Continued on Page 5)

Willie Goggin Loses In Final 36

Although hundreds of Daly City golf enthusiasts were silently rooting for him, Willie Goggin, one-time local boy who started his golfing career caddying on near-by courses, lost in the final 36 of the National Match Play Open, Sunday, at the Lake Merced course—but it was not because he played poor golf.

Willie's bag of tricks contained everything known to professional golf, but shooting against the consistent birdies and eagles of a Demeret is something else again. Goggin, who spent his earlier years in Ocean View, has held the (Continued on Page 2)

Companies 1, 4, 5 Answer Alarm

A smouldering incinerator at a garage, 5975 Mission street, gave Fire Companies Nos. 1, 4 and 5 a run, Saturday, 10 p. m.

Notified by Daly City police, Chief Andrew P. Chesney found clouds of smoke issuing from the garage and turned in the alarm. Upon forcing entrance, firemen found a home-made incinerator smouldering. No damage was done.

Sunday, at 9:45 p. m., Companies Nos. 1, 4 and 5 were again called out, this time by an alarm from the box at Bellevue and Lowell streets.

A building on Frankfort street, condemned by the building inspector and partially wrecked by the owner, was ablaze.

Because the fire was in a virtually inaccessible spot and sparks could reach only one house in that district, the firemen protected that house and let the fire burn itself out.

While the classes are for school children, an adult group will be organized if there is sufficient demand, announced Bruce Boynton, Recreation director.

BUILDING STATISTICS

(Continued from Page 1)

administration officials showing that San Mateo county is the fastest growing county in the entire United States.

The figures proved conclusively that San Mateo county leads all counties in the entire United States in new building per thousand of population.

D. C. McGuinness, director of Federal Housing in Northern California, pointed out that with all of the rapid development, there has not been a single foreclosure in the county during the year.

"You have here, made to order, the thrill of mountains, the quietness of forests, the peaceful valleys, the coolness of the seashore and the glamor of a metropolitan center, all within a stone's throw," McGuinness said, "and what other area offers a lovely panorama such as these things represent?"

Other reports from the city engineer's office this week include a recent application for permits for two \$4000 dwellings on San Diego avenue, south of Citrus, and an extensive building program re-

cently announced for Niantic, north and south of Lake.

The city engineer announced that the project for the repair of street cracks was virtually completed with the exception of Hanover and Templeton, that re-surfacing of Brunswick street would be finished this week, and that the dog pound is approximately fifty per cent completed.

Tanforan Opens March 15

J. W. Marchbank, directing owner of Tanforan, this week announced an impressive stakes and purse schedule for the 41-day Spring meeting, which starts March 15 and ends May 11. The \$5,000 Marchbank Handicap, a traditional fixture, and the \$5,000 Golden State Derby, which will have its first running this season, headline a list of ten stakes.

Marchbank has not only raised and increased the number of stakes, but he has boosted the daily minimum purse to \$800, with one race daily of \$1,200 and another of \$1,000.

The complete program easily overshadows anything ever offered in the San Francisco area, and Racing Secretary John Maluvius has already been assured that the outstanding stables now in training at Santa Anita will race at Tanforan.

In addition to the \$5,000 Golden State Derby, there will be another fixture for 3-year-olds, the \$2,500 Twin Peaks Handicap. These two engagements, plus numerous overnight races, assures

Jefferson Suffers Second League Defeat

Jefferson Union high cagers, both lightweights and varsity, bowed to the San Jose teams, Friday night, at the Jefferson gym, chalking up their second league defeat.

The lightweights lost 18-26. Failure to capitalize on 9 foul shots and playing much of the last half with only four men was partly responsible for the Jeff's defeat. Razzari, who is becoming consistently good in his shots, scored 9, Filios 4, Volkman 3, Domemus 2. High man for San Jose was Slovs with 8.

Jefferson's varsity five came out on the short end of a 15-46 score against the San Jose heavyweights. The local boys looked weak against the champions from the south, especially after Lekoff and Brisno were sent out on fouls.

Rodrigues, of San Jose, led with 11 points for high man. Scoring for Jeff were Brisno and Lekoff with 5 each, Ramsey 3 and Giusti 2.

Jefferson lightweights and varsity will play San Mateo lightweights and varsity, Friday at San Mateo.

Scouts Observe Nat'l. Peace Week By Demonstration

"The Yanks Are Not Coming," was the combined theme of Boy and Girl Scouts observing National Peace week, when members of Mrs. Lucille Lemon's Girl Scout Troop No. 4, and Joseph Straughan's Boy Scout Troop No. 141, staged a peace demonstration in the center of Daly City's business district, Saturday.

Nearly a thousand peace booklets were handed to the public from the red, white and blue booth erected by the youngsters. Giving lucid reasons why Americans should not go to war except in the event of having to defend their country, the pamphlets were supplemented by a poem written by Scoutmaster Straughan, and other anti-war literature.

While the booklet, "The Yanks are Not Coming," sold for three cents, many citizens showed their enthusiasm for the movement by paying as much as twenty-five cents, Mrs. Lemon said.

A compilation of figures, used by the troops to give a definite idea of the actual cost of the last war, is as follows:

Ten million dead, 6 million missing or dead, 20 million wounded, 28 million civilians dead from famine and disease, 9 million orphans, 5 million widows, 10 million refugees. Money spent for destruction, 360 billion dollars; cost to the United States, 80 billion dollars.

Daly City Ghosts Building Club House

The Royal Hauntians are still haunting!

At least this is the latest report to reach the Daly City Record office from that ghostly and anonymous organization, "The Royal Hauntians of the Black Chapel."

Says this week's note from the mystery club:

"The Royal Hauntians now meet on Friday nights at 8:30 p. m., instead of Thursday evenings.

"Two of the Royal Hauntians left a week before Christmas for an indefinite trip back east to visit relatives—

"But the Royal Hauntians have great plans for the near future!"

The Daly City Record has added to its staff five local boys, chosen for their courtesy and honesty, as circulation collectors.

Three of these boys, Johnny Mosman, Frankie Devlin and Bill Braumoeller, having worked for The Record a year ago, will be remembered by many subscribers. Georgie Lagomarsino, also an old-timer at The Record, will continue on the Colma territory.

John and Charles Razzari, 132 Acton street, will work in the Crocker tract. John Razzari is well known at Jefferson Union high school, being an ace scholar and captain of the lightweight basketball team. Charles' district is Mission street and east of Templeton, while John has the territory west of Templeton.

Johnny Mosman, 320 Hillcrest drive, also has his home territory to work in, including the area north of Hillcrest.

Frankie Devlin has been given the same district he had when he formerly worked for The Record, between Los Olivos, North Park, Junipero Serra and Mission streets.

Bill Braumoeller, 432 Santa Barbara avenue, another student of Jefferson, has the territory south of Park View avenue to Colma, and the Hillside district.

Many contests are planned and at a sales dinner every month high men will receive their prizes. The first dinner was held at the Russian Tea Room, after which the staff attended the Golden Gate theater.

Says Circulation Manager Harry H. Hollins, "I hope that these jobs will prove more than only a part-time income to these boys. I hope to be able to teach them a little salesmanship, improve their ability to meet people successfully and give them an insight into business in general."

One resolution it's not too late to make

The model illustrated is the BUICK SUPER model 51 four-door touring sedan \$1109 delivered at Flint, Mich. White sidewall tires additional.*

NO matter what's happened to the rest of those first-of-the-year vows, there's still time to resolve to have yourself some fun this year with that power-packed, sure-fire pleasure producer—a sightly, sprightly, roadwise 1940 Buick.

You can put yourself behind a husky Dynaflex straight-eight that's a veritable tornado when it comes to going places—but actually silkier than watchworks in its smooth-and-easy freedom from vibration.

You can switch to gentle coil springs and never need another "lube job." You can discard the

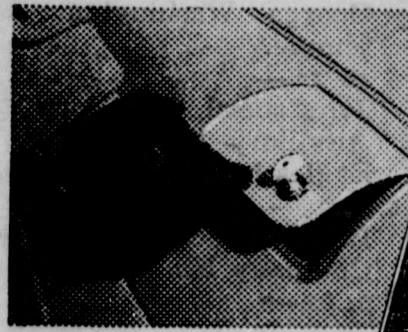

old-type gear lever for Handishift transmission that works with a finger-flick.

You can help yourself to room—the spacious expanse of the Buick Super's next-thing-to-five-feet front seats. You can ride in Foamtex cushion comfort, with Safety Plate Glass all around you and everything from a built-in automatic choke to Buick's exclusive Fore-N-Aft Direction Signal to make driving easy and convenient.

TAMPER-PROOF GAS TANKS—your ignition key locks the gas tank door in the fender, prevents gasoline loss through pilferage. Standard equipment at no extra cost.

So why wait to get your Buick? Prices are low now—lower than on some sixes—and delivery is prompt. Your dealer has a full line to show, too, and your old car's worth more now than it will be later.

How about some action? Time's a-wasting, there's fun to be had—and there's a Buick waiting to hang your license plates on!

"Best buy's Buick!"

RECREATION FOR ALL

Our local WPA Recreation department has added many interesting features to its program during the past year and has many more worthwhile activities planned for 1940.

It has been instrumental in helping to form desirable characteristics in adolescents, and has sponsored numerous projects for adult education and entertainment.

We are very fortunate in having a recreation department that is ever on the alert to better its facilities and improve its programs; plus a Daly City Recreation committee which works hand in hand with that department.

Whether your interest lies in indoor or outdoor sports, recreational or educational hobbies, there is a form of activity for you. Its programs embrace boys and girls, men and women, and all ages.

Of the numerous projects sponsored by the department, the First Aid classes are but one example. Through this course of training, presided over by two of the best instructors available, many adults have become more competent citizens and are now prepared to better serve their community.

Regardless what path your inclinations may take in your leisure hours, or what your hobby may be, the recreation department sponsors a phase of social life you will enjoy.

It is your recreation department, use it.

History of Daly City Fire Department

Company No. 6 - Daly City Fire Department

(Editor's Note: This is the seventeenth installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all.")

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

The management of the association was placed in the hands of six trustees, one chosen by election from each company with the chief as president. A set of by-laws was drawn up and a charter was obtained from the state of California to operate a non-profit organization. In the short period of its operation, this association has disbursed over \$2,000.00 to the widows and families of deceased members of the fire department.

The year 1936 found the department taking an active part in every civic function. If it were a grammar school graduation, Halloween party for children, death of a brother, fire control at public ceremonies, high school commencements, dedications — there were always volunteer firemen to act as ushers and to watch the fire hazard.

In July of 1936, there was introduced into the fire department the newest and by far the greatest idea for the betterment of the organization. A plan was proposed by E. Kennedy and E. Goldkuhl, jr., to build a hall where all departments could meet and hold their social functions. Because at the time of this writing there is no suitable hall open to the general public, this plan when completed will be a great boon to the

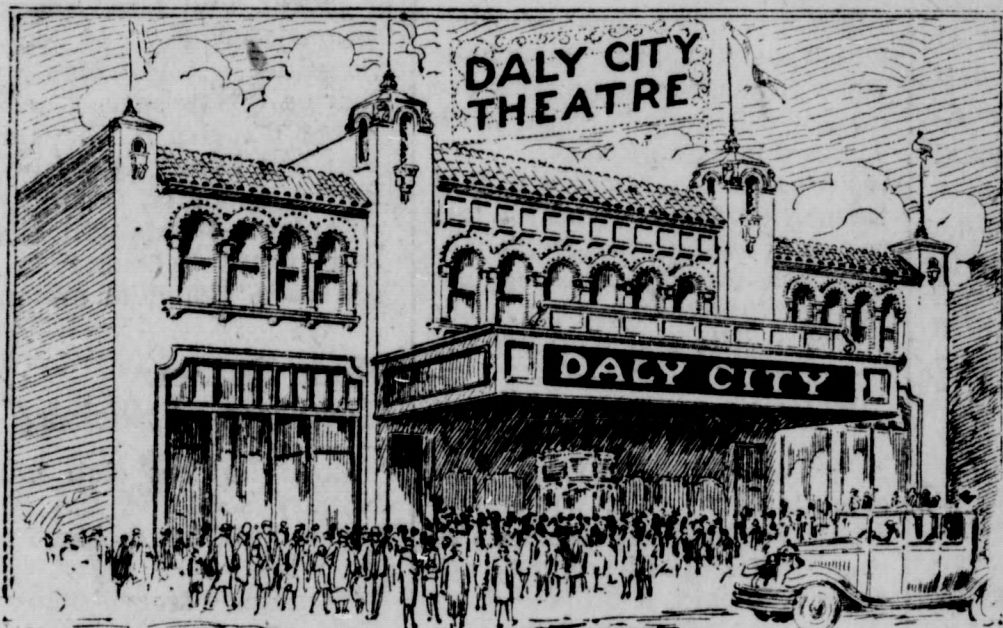

Top row, left to right: Commissioner George Volkman, and Secretary Gino Benedetti. Second row: Treasurer Gino Graziani, Lieutenant Leo Kusber, Anthony Gaggero, Assistant Chief A. city of Daly City as well as to the fire department.

The signal "go ahead" was given and the volunteers as usual are at work selling building shares so that some future day Daly City's Fire department will add another milestone to its progress with the erection of a hall whose doors will be open to all citizens.

SAN FRANCISCO.—Valerie Bond, the noted artist, designs emblem for the 1940 "Fight Infantile Paralysis" campaign. Millions of "March of Dimes" buttons bearing this emblem will be used during the campaign. Miss Bond is shown with George W. The emblem is in the form of a shield with the words "Fight Infantile Paralysis" across the top and the word "March of Dimes" at the bottom.

Mission Auto Co. Manager Tells Of Better Business

Facts concerning the outlook for 1940 in the automobile industry, which is widely regarded as a barometer for general business conditions, were given by A. L. Timossi, Mission Auto company, Chrysler-Plymouth dealer here.

"Nineteen thirty-nine was an excellent year for the automobile industry," declared Timossi, "in spite of labor trouble which substantially curtailed the production of the Chrysler corporation. However, according to current indications, 1940 bids to exceed 1939 by a margin of at least 4,000,000 cars and trucks this year, as compared with 3,710,000 units which were built last year in American and Canadian plants.

"About 1,250,000 units of these cars and trucks," continued Timossi, "will be produced during the first three months of the year. This production is nearly 15 per cent over production during the similar period of 1939.

"General business conditions showed a decided pickup throughout the country following the recent holidays," he said.

"In our organization," continued Timossi, "we are setting our sights for at least a 30 per cent increase in sales over last year. The new Chrysler has been received by motorists with a degree of enthusiasm that leads me to regard this quota as one that can be easily attained."

Timossi stated that while Chrysler models this year are considerably larger in size than last year, prices had been lowered.

Impulses Influence Life

It is much easier to act firmly and bravely under a strong impulse than it is to restrain an impulse when called upon to do so. Of all the battles of life there is not one that requires so much real courage as that silent battle with self, which every dutiful person finds it frequently necessary to wage.

FORD BUILT CARS WIN ECONOMY RUN LAURELS

Proof of economy claims made for Ford-built cars was found in official American Automobile Association results for the 1940 Gilmore-Yosemite Economy Run, which showed the Ford V-8, the Mercury 8 and the Lincoln Zephyr V-12 each winning trophies in its price class. The Ford averaged 24.92 actual miles per gallon for the grueling 306.5 mile course, the Mercury 23.76 miles per gallon, and the Lincoln Zephyr, 19.9 miles per gallon. In the beautiful scenic view at the top, the Lincoln Zephyr, which won first place in its class for the third consecutive year, stops for a brief view of Half Dome and the Yosemite Valley.

At the right, Driver H. M. Jones, left, and Clarence Beesmyer, Gilmore Oil Company vice-president, display the Lincoln-Zephyr's winning trophy. The inset shows the Ford V-8 being checked out by A.A.A. representatives at the official refueling station in Fresno, after it had refused additional gasoline. In the bottom picture, the Mercury 8 streaks across the finish line in Yosemite Valley under the checkered flag of A. C. Pillsbury, A.A.A. regional director, completing the run which brought it the Class D championship award.

Crocker Whist Set For Tomorrow

Crocker PTA held its last regular meeting in Crocker school Tuesday, January 9, with R. L. Crane, district superintendent of schools, as speaker of the day. His topic was "What San Mateo County is Doing for the Exceptional Child."

Budget for the year was checked and found to be completely met, with a good surplus over. Members voted to give a third life membership, to be presented at the Founders day meeting in February.

It was decided to give two trees for planting on the grounds of San Mateo junior college, one to honor Crocker and its past presidents, and the second in the name of Crocker's nine life-members.

Mrs. Hick's class of Crocker school won the party given for the best attendance of mothers at meetings throughout the semester. Held last Friday, the affair was under the chairmanship of Mrs. Florence Thorsen.

Mrs. Orvilla D. Pauw, publicity chairman, and Mrs. Mildred Seiler, president, represented Crocker at the publicity conference and luncheon Friday, in Burlingame. Mrs. Julia V. Jordan, publicity book chairman, was unable to attend because of illness.

Mrs. Otha Kinsey and Mrs. Virginia Davidson will be joint hostesses at a whist tomorrow, at 1:30 p. m., at the home of Mrs. Kinsey, 463 Irvington street. This whist is for the benefit of philanthropy which cannot be provided for in the budget. Members and friends are invited to attend.

The graduation class is to be given a skating party the Saturday following graduation.

Next regular meeting of the unit is the Founders day meeting, Tuesday evening, February 13, at 8 p. m. in Crocker school. Fathers are especially urged to attend. Junior Past President Mrs. Davidson is planning an interesting program.

There will be no meeting of the Sew and Sew club until after the first of February.

Winter Dangers

BASEBALL HAS a saying . . . "You can't hit when you can't see."

In traffic this adage is reversed . . . You can't miss what you can't see!

Winter days are shorter, which means that the rush hour when thousands of persons are homeward bound from work comes during darkness.

Pedestrians, remember that motorists often see you too late to avoid hitting you. Don't jaywalk or cross streets against lights. Along the highway, walk facing traffic and well off the pavement.

Motorists, remember to be on the alert for the unexpected. Keep your headlights in good condition and your windshield wiper working efficiently. Use the traffic beam when approaching cars. A blinded driver is unable to see danger in his path.

Jaysee Presents Gift To Daly City Student

Harry Prongos, outgoing student president from Daly City, was presented a beautiful gavel at the recent dinner held by the old and new officers of San Mateo junior college. The gift was in recognition of his outstanding work in the interest of the student body.

With the Fall semester coming to a close this Friday, San Mateo junior college students will end their activities with their sophomore formal the same evening at the Aquatic Park casino in San Francisco.

February 1 and 2 students will enroll for the Spring term, with the old students registering the first day and newcomers on the second.

'Trafficscope'

Working on the principle of the periscope, the "Trafficscope," shown at the Annual Massachusetts Safety conference held in Boston, represents a new device to promote safe driving. By means of a prismatic lens, the driver can see what is beyond him over the crest of a hill.

New Film Stars Claudette Colbert In Technicolor

Claudette Colbert is very fond of "firsts."

Because every new motion picture experience has worked as a good luck charm that swept the brunette beauty to new heights of popularity.

Now Claudette has a new "first." She appears in technicolor for the first time in Darryl F. Zanuck's production of "Drums Along the Mohawk," the great novel of adventure and romance when America was young, which co-stars her in a powerful dramatic role with Henry Fonda and is presented by 20th Century-Fox at the Daly City theater tomorrow for three days.

Her first "talkie," "The Lady Lies," established her firmly in

Claudette Colbert and
Henry Fonda

the public favor and resulted in her being brought to Hollywood. Cecil B. DeMills was looking for an actress to play the wicked queen in "The Sign of the Cross." He chose Claudette and again the new experience proved a good luck charm for her.

Frank Capra decided that she had the makings of a first-rate comedienne and gave her the lead in "It Happened One Night."

What that picture did for Claudette Colbert is screen history.

Now comes "Drums Along the Mohawk" with an entirely new Claudette, with all her vivid beauty brought to radiant life in technicolor, and it certainly looks like another lucky "first."

Companion feature on the new bill is "Three Sons," starring Edward Ellis and William Gargan.

Group Celebrates Twenty-Fifth Year

A quarter century of progress was marked by an anniversary dinner and installation of officers of the Daughters of Israel, last night, at Yadna center, 836 Divisadero street.

Preceding the installing of officers, dinner was served to members and guests. Guest speaker was Daniel W. Hone, San Francisco lawyer, who reviewed the twenty-five years of useful service given by the Daughters of Israel.

Mrs. Mattie Olcovich, who was the installing officer at the club's founding in 1915, installed the following officers last night: president, Mrs. J. Martinson; vice-president, Helen Benjamin; treasurer, Fannie Kanter; secretary, Bessie Gimov; conductress, Ann Lutzker; guardian, Sue Plansky; trustees, Mary Dobbs, Anna Rosenthal and Rae Toar.

A vote of thanks was tendered to retired officers for their splendid work and cooperation in the past.

PTA Chairmen Hold Press Lunch

Approximately two hundred PTA members and press representatives gathered at the annual publicity and press luncheon of the Seventeenth district, CCPT, in Burlingame, Friday.

Sitting at long tables cleverly decorated to represent the various sections of a newspaper, unit publicity chairmen heard Kenneth L. Bowman, editor of the Redwood City Tribune, praise PTA cooperation with the press. He urged that all PTA writers strive to attain accuracy, interest and compactness in their stories, and pointed out the reasons why a newspaper is able to give a better break to the stories which reach the office earliest in the week.

Attending from Daly City were Mrs. Grace Hill, Mrs. Maude Hanselman and Mrs. Stella Jensen, from the Jefferson Union high school PTA; Mrs. I. C. Marquis, and Mrs. Marge Woodside, General Pershing PTA; Mrs. A. Hollingsworth, Colma PTA; Mrs. Martha Linden, Mrs. Grace Hill and Mrs. Lillie Thomey, Woodrow Wilson PTA; Mrs. Orvilla D. Pauw and Mrs. Mildred Seiler, Crocker PTA, and a representative from the Daly City Record.
